What is NHS?

NHS is a nationally recognized organization through high schools all across the US, which builds upon the four pillars of NHS: scholarship, leadership, service, and character.

Membership

Students are expected to already fit the criteria of NHS, which includes previous experience of community service, a weighted of GPA of 3.75 or above, and two recommendation letters. Only juniors and seniors are allowed to apply.

Requirements

NHS membership lasts for the rest of high school, so there is no reapplication. However, hour requirements for service are per semester. These include

- Attending all meetings
- Keeping above a weighted 3.75 GPA
- 3 Tutoring Hours at DHHS
- 4 Hours Community Service

These will all be logged in the HelperHelper app.

CSF - California Scholarship Federation (continued)

Eligible students for CSF become members by submitting applications based on their previous semester's report card grades. Membership is for one semester; students must reapply every semester.

Our Requirements:

4 School Hours

4 Community Hours

2 Recycling hours

Join our remind by texting 81010: @csf99

Each semester, students will need to acquire a total of 10 hours by a specific due date. Everything will be tracked and validated on [HelperHelper](#).

CSF is open to all grade levels. However, freshman who were in CJSF are eligible as auxiliary members first semester while all other freshman can apply as auxiliary members second semester..

Recycling hours must be completed on the DHHS campus. We allow up to one hour of donations per semester (2 bags=1 hour).

Once a student has met their recycling hours requirement, they can use additional hours and assign them toward school service hours. Due to having limited recycling days, we want to ensure that everyone can get their recycling hours in. Luckily, there are many other opportunities to get school service hours.

For future questions or concerns, students can email through canvas once they receive an invitation. Parents can email sophia.misri@gmail.com

Everything will be tracked and validated on HelperHelper. For future questions or concerns, please email dhhsdolphinpride@gmail.com.
